

2010 Silent Auction

Welcome back to our 3rd Annual ASCA Silent Auction to benefit the Raymond H. Goldstone Foundation. For all who donated or bid last year; it was a raging success. We raised approximately \$6,000 and are anticipating similar success this year. We cannot do that without your help! No donation is too big or small!

All individuals and organizations who donate items and/or services to the silent auction will be publicly recognized by ASCA. Donations for non-service items with proof of valuation are tax-deductible. Join us once again in supporting this initiative and our 22nd year of membership by making a donation!
