

Dear ASCA Membership,

During the month of November, members will have the opportunity to vote, for three new positions on the Board of Directors – Director of Diversity and Inclusion, Director of Membership, Director for Community Colleges - replacing the Directors at large for Circuits 1&2, 5&10, 4&11. This shift at the Board level also necessitates a shift in regional and local leadership.

Per Board vote earlier this month, phase two of the Organizational Task Force Plan – the shift from Circuit and State Representatives to Regional Chairs and State Coordinators – will officially begin at the Annual Business Meeting in February.

Accordingly, effective Friday, February 3, 2012, newly-appointed Regional Chairs and State Coordinators will replace current Circuit Representatives and State Representatives. The Board would like to express its sincere gratitude to those who have served in these capacities and encourage your continued participation in leadership as we move forward with ASCA's new structure.

Those interested in serving as a Regional Chair or State Coordinator for ASCA are encouraged to review the role responsibilities for the Regional Chair: <http://www.theasca.org/new-leadership-roles-cont/> and State Coordinator: <http://www.theasca.org/new-leadership-roles-cont/> .

President-Elect Ryan Holmes (or designee) will shortly begin leadership appointments for the coming year, including Regional Chairs and State Coordinators

Interested candidates are asked to fill out the following application: [Click here](#) to download

Please note that leadership training for all Committee Chairs, Coordinators, Regional Chairs and State Coordinators will be held at the Tradewinds Resort on Wednesday, February 1, 2012.

Sincerely,

Daniel C. Swinton, J.D., Ed.D.

President
